

Course Policy

Continuing Education Requirements

Continuing education requirements are regulated by the state boards of physical therapy with each state licensing board having its own policies and procedures related to continuing education of its licensees. Continuing Competency Hours (CCHs) for this course have been approved by the American Physical Therapy Association Georgia (APTA Georgia) and thru reciprocity, the CCHs for this course may be accepted by other states. It is the responsibility of the registrant to follow rules and regulations related to their practice and maintenance of licensure in their state. Should the registrant's employer or state licensing board require information pertaining to this course, all documents are available to print or download.

Continuing Competency Hours

10 Continuing Competency Hours (CCHs) are awarded for the completion of this course.

1 Continuing Competency Hour = 1 CCH = 1 Clock Hour

Time allowed to complete the course

Once registration is completed, 30 days will be allowed to complete taking the course to include passing the post-test. Modules can be reviewed as often as you like.

Course Handouts

Once registration is completed, a course handout is available that can be downloaded and printed.

Post-test

The post-test will need to be passed before receiving a Certification of Attendance. Passing of the test requires 70% of the multiple-choice test questions to be answered correctly. The post-test can be taken as often as is necessary.

Certificate of Attendance

After passing the test, you will need to download your Certificate of Attendance to your personal computer. Your name and credentials (DPT, OCS, etc.) that you enter on the registration page will appear on your Certificate of Attendance.

Course Content

Course content is not intended for use outside the scope of your state license or regulation.

Course Sharing

Course sharing is strictly prohibited. Content of the course may not be copied or reproduced without written permission.

Internet

For best viewing a high-speed internet connection is recommended.

Refund Policy

No refund of the course tuition will be allowed, no exceptions.

Waiver

I understand that certain limitations are to be expected with an online learning course to include but not limited to the inability to ask questions and to practice examination and manual techniques with the instructor observing.

I understand in patient care, the risk of complications, though small, are real when applying examination and treatment techniques that were demonstrated in this online course. I hereby hold Steve Kraus and Horizon Physical Therapy LLC harmless for any injury that may occur from using any examination and treatment techniques that I learned in this online course.
